

THE MARY MOUNT HOTEL DOG POLICY

At Mary Mount, we are happy to welcome well behaved friendly pups. We do however ask that owners follow the following guidelines when bringing their dogs along to stay with them, to ensure the comfort for yourself, your furry friend, and our fellow guests.

- A £10 per dog per night fee is charged for your dog to stay at Mary Mount, this fee is waived when you book directly with the hotel.
- If your dog has been a little naughty and the rooms require maintenance or cleaning from this, there will be a surcharge.
- Dogs are welcome in the Bar, Lounge and Conservatory restaurant as well as all of our outdoor terraces. Dogs may travel through the main restaurant but are not permitted to linger.
- We are happy for your dog to be left unattended in their rooms, if you are confident that they won't become stressed in their new environment.
- We don't allow dogs on our furniture or beds so please remember to pack a suitable bedding area for your furry friend.
- Free treats are provided in the bar, all dogs get a tasty sausage at breakfast and water bowls are provided throughout the public areas.
- Please remember to clean up after your pet.
- Please be mindful of other guests in the hotel as some guests may be wary of dogs.
